## How To Install

*We recommend that you uninstall any previous versions of CES EduPack before continuing.*

### System Requirements

To install CES EduPack on your PC, you will need the following:

- A compatible Microsoft® Windows® operating system; Windows XP 32-bit SP3, Windows Vista 32-bit or 64-bit SP2, Windows 7 32-bit or 64-bit, Windows 8 32-bit or 64-bit.
- 4 GB of RAM.
- 4 GB of available hard disk space.
- Internet connection (for web-based search capabilities).
- Microsoft .NET Framework version 4.0 and ReportViewer 2010 SP1. For the French language installation you will also require the French language packs for both of these. If any of these are not already installed, you will be given the option to add them to the CES EduPack installation process.
- Administrator rights.

### Licensing

#### Students

If you are a student installing this on your own computer then you do not need a license key. You have been given the files to install CES EduPack, either on a DVD or via a link to a network etc.). *Check that you have been given a file called **info.dat** and that it is in the same folder as **setup.exe**.* If not, please ask your instructor for this file.

For the Student FAQ page, go to [www.grantadesign.com/education/support/FAQs/students.htm](http://www.grantadesign.com/education/support/FAQs/students.htm).

#### Educators - Enrollment License

If you have an enrollment license - a time limited license for a group of students - then you need to make sure that you have been given a file called **info.dat** and that it is in the same folder as **setup.exe**. You do not need a license key. If you do not have this file, please ask your IT administrator or contact Granta Design.

#### Educators - Lab License

If you are setting up a perpetual or lab license, where the software is installed on a number of fixed computers, then you will need a license key. You will find this in on your software license agreement.

For the Educators FAQ page, go to [www.grantadesign.com/education/support/FAQs/educators.htm](http://www.grantadesign.com/education/support/FAQs/educators.htm).

### Installation

To install the software, run the **setup.exe** file and follow the instructions on screen. You can find a video showing the installation at [www.grantadesign.com/education/resources/videotutorials](http://www.grantadesign.com/education/resources/videotutorials).
